

J-Rob Releases His New Logo to Expand His Brand

KISSIMMEE, Fla. - July 21, 2022 - [PRLog](#) -- Celestial Caring Enterprise, LLC announces today the official logo for J-Rob that will be used for branding his music, himself as an Inspirational Recording Artist, Public Speaker, and his merchandise which will be launched soon.

"The logo represents the compassion for music to make people feel good, but when you see the stars, you know that's the light of God shining down on us," said J-Rob.

This lustrous logo is bolded in gold, gray, and black with half circles between his artist name, J-Rob. A hand is holding a handheld microphone known as a stick microphone that is in front of a cross. The middle of the logo gives the impression of a high volume of a beat.

"There's pain in words, so is power in the light, J-Rob brings truth, honor, and love with the mic," said May Manchu Estate, LLC. (Management)

Currently, J-Rob is prepping for his upcoming tour, God's Got Me tour sponsored by the International Stop the Bullying and Violence Now Tour, Inc. based in Ohio, but has branches in other states.

Recently, J-Rob released two singles with a music video. "God's Got Me ft. LeeLee and "Tame Da Tongue." Both singles are out now on all major digital outlets and streaming platforms.

J-Rob shares his battles in his single, "God's Got Me" and wants others to know they are not facing their pain alone. In his new single, "Tame Da Tongue" J-Rob sends a message out to his fans to remind them that they must be careful in how they speak because words influence someone's life.

James Robert Wexler, later known as J-Rob was born in Silver City, NC & raised in Brooklyn, NY where he resided for 7 years. He currently lives in Kissimmee, Florida. At the tender age of 10, J-Rob was shot in the back of his head while walking to school.
