

## **Christian Rap Artist J-Rob Assists with Feeding the Homeless**

**KISSIMMEE, Fla. - Dec. 18, 2021 - [PRLog](#)** -- Celestial Caring Enterprise, LLC announces today that the Christian Rap Artist, J-Rob made a major impact in his community with the God Loves You Outreach. He took part in feeding the homeless at the Jesus Loves You Food Pantry located at 12450 Marshall Farms Road, Winter Garden, Florida.

"In this time of the season of the birth of Christ, it shouldn't always be about two days a year. It should be the whole year. We should live up to the name of Christianity which means Christ-Like. If you look at Jesus' life John 3:17, He said He came to save the world and not condemn it. If you look at Jesus' life, He showed nothing but love, compassion, understanding, wisdom, and gave encouragement. Being a real Christian we should always give back. There are people out there that are hurting. There are kids out there who didn't ask to come to this world but were made to be in this world. There are some kids out there that are not going to have any gifts under the tree because of situations that their parents are going through if it is a hardship; loss of a job; if it's a pandemic; but as for the other people that are being blessed, we should be letting the overflow of our cups impact the world. If everybody would do one act of random kindness a day this world could be a different place. I would love to see the United States become one nation under God once again. Christianity is not a religion, it's a lifestyle. It is living like Christ did when He was here," said James Wexler aka J-Rob.
